

PRODUCT DATA SHEET

Product Description & Application

Waxity 2T API TC/JASO FC is a new generation semi-synthetic, extremely low smoke, environmentally friendly two stroke engine oil. It is blended from highly virgin mineral base oils, special synthetic base fluid and fortified with finely balanced low ash additives. It keeps engine clean and protected, helps in clean combustion and lowers exhaust smoke. Its thick lubricant film strength also provides excellent protection against metal wear in engine. A specially selected diluent is added to ensure instantaneous oil dilution in the gasoline. It is recommended for all types of 2 or 3 wheeler such as moped, scooter & motor cycle and three wheelers etc.
